5th EIBA Early Career Network (EIBA-ECN) Paper Development Workshop (PDW)

The 5th EIBA-ECN-PDW pre-conference event will be held at EIBA 2019 Leeds on 13th December!

Dear Colleagues,

The **EIBA Early Career Network (EIBA-ECN)** was launched at the EIBA 2014 conference in Uppsala. Our vision is to establish a forum and cooperation platform for young EIBA scholars after they obtained their PhD. EIBA-ECN scholars are brought together to share ideas, build up networks with like-minded individuals, and discuss research projects with a view to the possibilities of cooperation & collaboration.

To promote the idea, this year's EIBA Annual Conference features the **5th EIBA Early Career Network Paper Development Workshop (EIBA-ECN-PDW)** on 13 December 2019 in Leeds!

If you are interested in presenting your paper and receiving relevant feedback – or perhaps helping others to develop their research projects – please sign up for the 2019 EIBA-ECN-PDW by sending an e-mail to the event organizers at: bvlacic@porto.ucp.pt.

The deadline for submissions is 02 September 2019.

Please attach a PDF of your paper to your e-mail – and indicate whether you have also applied for the IBR-PDW, JIBS-PDW or JIBP-PDW pre-conference events (all PDWs are held in parallel).

Please note that the EIBA-ECN-PDW is mainly targeted towards young scholars who already obtained their PhD (e.g. assistant professors, post-doctoral researchers, lecturers etc.). Therefore, we can only accept PhD students in their third or final year.

For those who would like to participate in the 5th EIBA-ECN Workshop without making a presentation, please let us know via e-mail by 3 December 2019.

EIBA-ECN-PDW participation is free of charge, however, all the participants (including non-presenters) must be fully registered for the EIBA Annual Conference.

We are looking forward to meeting you in Leeds this coming December!

Best wishes,

Tilo Halaszovich (Jacobs University Bremen) & Bozidar Vlacic (Catholic University of Portugal)

Organizers of the 5th EIBA-ECN Workshop
